“RE/MAX Team Vision offered the opportunity to build on my individual performance with a nationally recognized name, while remaining in the day to day activities of real estate listing and selling. The results were more rewarding and without limit on the services provided to my clients.”

## **Jeff Ruud**

“Starting my career in Real Estate with RE/MAX Team Vision was the best decision I could have ever made. From the first day in the office I felt like I was part of the “TEAM”. The support system in the office, as well as the continuous training, has given me the confidence and knowledge as a new agent to succeed. There is always someone to praise me when I’m doing things right and to steer me in the right direction when I get off track. As a new agent, I don’t think I would have been so successful if I had not started with RE/MAX Team Vision. Thank you for helping me get started and grow my business. It has been “Life Changing” for me and my family!!!”
